

## MAKES THOROUGH EXAMINATION OF BELMONT MINE

CAL BROUGHNER SPEAKS OF UNDERGROUND CONDITIONS OF THAT MINE

Cal Broughner, a director of the Belmont company, spent some little time in the underground workings of that property, making a thorough examination of the different levels.

"The mine is looking better at the present time than it ever has since the company has been operating," said Mr. Broughner after returning to town. "The ledges exposed on the 100 foot level and in the winze on the 1158 level, have demonstrated the fact that pay ore exists here with depth. The last mentioned ore body gives every indication of becoming one of the largest in the different mines of the camp. The two drifts sent out to determine its greatness have opened up the ledge for a width of about 14 feet, with neither wall yet in sight. All of this ore will mill and is now being shipped for that purpose.

"When the old Belmont shaft has made connections with the 1000 foot level, working operations can be greatly expedited and besides a better ventilation in this section of the mine will be afforded. The conveying of ore from this section consumes no little time and this is the main purpose for which the shaft is being sunk. The ore bodies on the 1000 foot level seem to retain their greatness and values as the work proceeds, as does practically every ledge in the mine."

## EXPERTS BILL IS LAID OVER BY COUNTY DADS

BOARD ADJOURNS UNTIL MONDAY AFTER COMPLETING SMALL DETAILS

The board of county commissioners spent yesterday in finishing up the odds and ends of little business details before adjourning to Monday, when it will meet as a board of equalization.

The bill for the auditing of the county books was taken up for a few minutes, but owing to the many irregularities in the \$2503 report, they laid the matter over until the next meeting, when it will probably come up for final disposition. It is understood that the county officials whom the experts charged with not having their affairs up-to-date, have filed sworn statements with the board, offsetting the costly report.

## CONDITION OF LOCAL BANK IS FIRST CLASS

DIRECTORS OF TONOPAH BANKING CORPORATION HOLD QUARTERLY MEETING

At the quarterly meeting of the directors of the Tonopah Banking corporation, held yesterday in the bank's office, the condition of the institution was found to be first-class. All the different details were carefully looked into and the reports submitted shows that the affairs have been carefully looked after.

F. M. Lee, vice president of the bank, arrived yesterday morning from Reno to be in attendance. Cal Broughner, a director, was also present, having arrived Friday from his Oakland home.

## INDIAN TO HANG FOR KILLING TWO PROSPECTORS

Arrangements have been begun and on Friday, September 24, George Williams, the Indian who killed the two prospectors near Silver Peak over a year ago, will be dropped to eternity.

The Indian is now in the condemned cell and is closely watched by the guard. He is beginning to realize that death is for him and while he takes it with the stoicism of the race to which he belongs, still his face is beginning to wear the lines of care.—Carson News.

## GOOD GAME IS SCHEDULED FOR TODAY

CASINO STARS AND HERTEL'S CHAMPS TO BATTLE FOR SUPREMACY

This afternoon at the California Heights diamond, one of the most interesting games of baseball ever played in this town, is scheduled to take place. The contesting teams will be the Casino Stars and Pete Hertel's champions. Both aggregations have been indulging in hard practice for a week and with the good natured rivalry that exists, the fans should witness a good game. Several of the players have been what were considered stars a number of years ago, and when seen in action today they may prove a revelation.

The game will be for a side bet of \$200 each, and both checks, which have been posted with the sporting editor of the Bonanza, will be turned over to the captain of the winning nine immediately after the game. The play will be called promptly at 2:30 o'clock. Following is the line-up of the two teams.

**Hertel's Champs:**—Parker, catcher; Crosson, pitcher; Jim Hayward, 1st base; Pete Hertel, 2nd base; George Blatz, shortstop; Harry Roche, 3rd base; Clem Hertel, right field; Martin Haas, center field; Charles Kielhofer, left field; Murphy, Hanna, Walter Walsh, substitutes.

**Casino Stars:**—Lewis, pitcher; Millet, catcher; Mighty Kelly, 1st base; Payne, 2nd base; Berry, shortstop; Reise, 3rd base; Lynott, right field; Brick McIntosh, center field; Johnson, left field; Turner and Garvey, substitutes.

## GOOD GOODS AND LOW PRICES, IS THE MOTTO

NEAT LINE OF FALL SUITS HAS BEEN RECEIVED AT THE TOGGERY

The first shipment of "Benjamin's Clothes" has been received at the Toggery, and each garment speaks for itself. They are of the latest fabrics and style, and the low price marked on them proves that good suits can be purchased in this city at the same prices asked in the large eastern metropolitan cities.

Mr. Sands, the proprietor, stated that the suits already sold for fall wear were purchased by parties who several months ago made like purchases of "Benjamin's" summer suits. This speaks well for the wearing quality of the clothes. A complete line of fall and winter underwear, shirts, etc., is now enroute from the eastern manufacturers.

## REMAINS OF MRS. ED BUSCH LAID AT REST

FUNERAL OF TONOPAH'S PIONEER TELEGRAPHER AT RHYOLITE

All that was mortal of Mrs. Ed Busch, formerly Miss Laura Hogan of Rhyolite, was placed to rest last evening in the city cemetery at Rhyolite. The funeral services were held in the Catholic church of that camp, with the Rev. Father Butler of this city officiating. From there the entire population of the town followed the cortege to the grave.

A sister, Miss Mollie Hogan, arrived at Rhyolite on the evening train and immediately after the services in the church started. The floral offerings were described as being the most beautiful ever received in the southern town. Several were sent by the employees of the telephone exchange and the Postal Telegraph company of this city. One of the most noticeable tributes was sent by General Manager F. G. Waterhouse of the Postal company. Miss Lenore Corum, of the local telephone company, met Miss Hogan at the train yesterday morning and accompanied her on the journey to Rhyolite. She will return today.
